

Editions in ESS1-8 cumulative data file.

The ESS1-8 cumulative data file includes the following editions of the integrated ESS data files:

- ESS1 edition 6.6 (release date 01.12.18).
- ESS2 edition 3.6 (release date 01.12.18).
- ESS3 edition 3.7 (release date 01.12.18).
- ESS4 edition 4.5 (release date 01.12.18).
- ESS5 edition 3.4 (release date 01.12.18).
- ESS6 edition 2.4 (release date 01.12.18).
- ESS7 edition 2.2 (release date 01.12.18).
- ESS8 edition 2.1 (release date 01.12.18).

Any updates to the integrated files post 01.12.18 are not included in the Cumulative data file. When working with the ESS Cumulative data please take into account any deviations in data posted after this date (www.europeansocialsurvey.org/data/alerts.html). Please also be aware that the round wise integrated files are likely to be updated more frequently than the ESS Cumulative data.

The cumulative data is in general updated once every 2 years.
