

European Social Survey 2006, Round 3 Survey

Cluster Number: Respondent Number: Group Number:

Interviewer's Name _____ Interviewer's Number _____

A. If there more than one residence at the address provided?

Yes..... ₁ → Go to A1 No ₂ → Go to B

A1 HOUSEHOLD SELECTOR (Apartments and flats)

If there is more than one residence at the address provided (e.g. the building is divided into apartments):

1. If the apartment or flat number is given on the assignment sheet, that apartment or flat is the target address
2. If *the address does not specify an apartment number*, use the following grid to select the target address:

Circle the total number of residential addresses in the top line, the bottom line shows the target apartment or flat. If apartments are not numbered, and there are doorbells, count the bells from top left to bottom right. If apartments are not numbered and there are no separate doorbells, count the apartments from top left to bottom right as you face the main door of the building from the street. (If there are more than 12 apartments, use the grid at the back of the interviewer instructions.)

TOT	1	2	3	4	5	6	7	8	9	10	11	12
SEL	1	1	2	3	3	1	1	8	2	5	8	4

B. How many persons aged 15 years and over (incl the respondent) live in the household?

If one, *this* is the selected person.

If more than one, the selected person (target respondent) is the person *whose birthday is next*.

Name of Selected Person:	Telephone Number of selected person:
--------------------------	--------------------------------------

C. Record of Contact With Household – One line for each visit
