## ASK ALL

To help us improve our questions in the future, here are some final questions on a range of different topics which are similar to previous ones. Please don't try to remember what you answered before but treat them as if they were completely new questions.

People come to live in [Britain/the UK<sup>1</sup>] from other countries for different reasons. Some have ancestral ties. Others come to work here, or to join their families. Others come because they're under threat. The first few questions are about this issue.

**IF1 CARD A2** Please tell me how important you think being able to speak English should be in deciding whether someone born, brought up and living outside [Britain / the UK<sup>2</sup>] should be able to come and live here. Please use this card.
