They should both pay the same share (same %) of their earnings in tax so that the person earning twice as much pays double in tax.

The higher earner should pay a higher share (a higher %) of their earnings in tax so the person earning twice as much pays more than double in tax.

They should both pay the same actual amount of money in tax regardless of their different levels of earnings.
CARD 35

Higher earners should get a larger old age state pension than lower earners

High and low earners should get the same amount of old age state pension

Lower earners should get a larger old age state pension than higher earners
CARD 36

Higher earners who become unemployed temporarily should get more in benefit

High and low earners should get the same amount of benefit

Lower earners who become unemployed temporarily should get more in benefit
CARD 37

Immediately on arrival

After living in Britain for a year, whether or not they have worked

Only after they have worked and paid taxes for at least a year

Once they have become a British citizen

They should never get the same rights

They should both pay the **same share** (same %) of their earnings in tax so that the person earning twice as much pays double in tax.

The higher earner should pay a **higher share** (a higher %) of their earnings in tax so the person earning twice as much pays more than double in tax.

They should both pay the **same actual amount of money in tax** regardless of their different levels of earnings.
CARD 35

Higher earners should get a larger old age state pension than lower earners

High and low earners should get the same amount of old age state pension

Lower earners should get a larger old age state pension than higher earners
CARD 36

Higher earners who become unemployed temporarily should get more in benefit

High and low earners should get the same amount of benefit

Lower earners who become unemployed temporarily should get more in benefit
CARD 37

Immediately on arrival

After living in Britain for a year, whether or not they have worked

Only after they have worked and paid taxes for at least a year

Once they have become a British citizen

They should never get the same rights

CARD 34

They should both pay the same share (same %) of their earnings in tax so that the person earning twice as much pays double in tax.

The higher earner should pay a higher share (a higher %) of their earnings in tax so the person earning twice as much pays more than double in tax.

They should both pay the same actual amount of money in tax regardless of their different levels of earnings.
CARD 35

Higher earners should get a larger old age state pension than lower earners

High and low earners should get the same amount of old age state pension

Lower earners should get a larger old age state pension than higher earners
CARD 36

Higher earners who become unemployed temporarily should get more in benefit

High and low earners should get the same amount of benefit

Lower earners who become unemployed temporarily should get more in benefit
CARD 37

Immediately on arrival

After living in Britain for a year, whether or not they have worked

Only after they have worked and paid taxes for at least a year

Once they have become a British citizen

They should never get the same rights
