- **MUST BE COMPLETED FOR ALL SAMPLE UNITS INCLUDING ALL NON CONTACTS, ALL REFUSALS, ALL OTHER TYPES OF NONRESPONSE UNITS AS WELL AS ALL INTERVIEWS**

N1. What type of house does the (target) respondent live in?

1 Farm

Single-unit:

2 Detached house

3 Semi-detached house

2. Yes – locked gate / door
3. Yes – entry phone system AND locked gate / door

Look to the left and the right of the building/house taking into account a distance of about 2 normal sized houses on either side (approximately 15 metres on either side). Only include this area and the property of the target respondent when answering these questions.

There may not be other properties on either side of the building so just estimate the space that about 2 'normal' size houses on either side would take up.

Note that in the case of blocks of flats refer to the space on either side of the whole building and NOT just the individual flat where the target respondent lives.

N4. In the immediate vicinity, how much litter and rubbish is there?
